

June 6, 2011

Dear Parents,

Since your child will be entering Kindergarten in the Fall of 2011, it is necessary for him or her to have a new physical form completed and the immunization record updated. Exams must be done after September 1, 2010 but before school starts on August 31st. The results of this exam must be recorded on a State of Connecticut Blue Health Assessment Form, which is included. Please be sure to complete the parent portion of the form. This form must be submitted to the nurse's office **before** your child enters school in August 2011.

IMMUNIZATIONS REQUIRED:

DTaP	At least 4 doses. The last dose must be given on or after 4 th birthday
Polio	At least 3 doses. The last dose must be given on or after 4 th birthday
MMR	2 doses separated by at least 28 days, 1 st dose on or after the 1 st birthday
Hep B	3 doses, last dose on or after 24 weeks of age
Varicella	2 doses separated by at least 3 months, 1 st dose on or after the 1 st birthday; or verification of disease
Hib	1 dose on or after 1 st birthday for children less than 5 years old

Also, in Kindergarten, the students are now offered SWISH. As part of the Dental Health Program here at Lisbon Central School, a weekly "Swish" fluoride program is offered to all students from Kindergarten through Grade 8.

If you have any questions, please feel free to call our office at 376-6716. Thank you for your attention to this matter.

Sincerely,

Theresa Svab, RN
School Nurse

KAE 2011/2012
