

# LISBON HOME GAMES

Since the beginning of Lisbon's softball program, Lisbon's home games were always played at our opponent's field. Lisbon does not have a softball field to play on or even practice on.

This year Lisbon's home games will be played at the Jewett City Little League complex on field 1. Many of Lisbon's softball players are very familiar with this field as they have played or even still play there in the Little League organization.

Playing home games at the Jewett City field can provide some substantial cost savings. Busing can be a costly part of sports programs. The best scenario for Lisbon would be having the team bused from school to the field and then **all** team players be picked up at the field rather than be bused back to the school. If **all** players can not be picked up at the field then another bus will have to provide transportation back to the school.

Also, if you pick your child up at **any** game you will be required to sign a standardized release form at that game otherwise they must ride the bus back to school.

The form below will be used to determine whether a second bus will be needed at Lisbon's home games. If **all** team members agree to be picked up at the Jewett City field then a second bus will **not** be used and you will have to pick your child up at **all** home games played at Jewett City. On the schedule there are 4 regular season home games. More home games may be added during the playoffs.

-----  
Please initial in the space provided.

\_\_\_\_\_ Yes, I will pick my child, \_\_\_\_\_, up at any game that is played at the Jewett City Little League field. (If someone other than the child's parent/guardian is picking your child up a signed note must be provided.) By signing below you are agreeing to pick your child up at the Jewett City Little League field any time that Lisbon has a game there. Lisbon Central School's responsibility ends the moment your child is released to you the same as when you pick your child up at the school.

\_\_\_\_\_ No, I cannot pick my child up at the Jewett City Little League field. My child needs to go back to Lisbon School.
